Django, Android Studio

## Personal Details

**Languages Known:** English and Hindi  
**Address:** Pune, Maharashtra

## Profile Summary

Enthusiastic and detail-oriented B.C.A. student with hands-on experience in full-stack development and a passion for learning new technologies. Known for adaptability, problem-solving, and strong leadership qualities. Committed to leveraging technical expertise to create meaningful solutions while actively contributing to both professional projects and community initiatives.

## Academic Projects

- Symbi Shark Tank** (Feb 2024- March 2024)  
**Tools: Django, Celery, Email Services**  
Designed and developed a web application simulating a Shark Tank experience for college students to pitch business ideas and progress through multiple evaluation rounds. Implemented secure user authentication, reducing security vulnerabilities by 20%, comprehensive database management, and handled multi-round competitions with specific criteria. Leveraged Celery for efficient email notifications to keep participants informed.

- StreamDash App** (Sep 2024- Oct 2024)  
**Tools: Android Studio, Firebase**  
Developed an Android application focused on comprehensive UI/UX design and implementation, integrating Firebase for real-time data synchronization. Created features to display live sensor data transmitted by NodeMCU-based sensors, allowing users to access readings seamlessly from any location.

## Certifications

- Weka One-Week Training Certificate** (March 2024)  
-Completed an intensive week-long training on Weka, exploring data mining and predictive modeling. Gained hands-on experience with Weka's algorithms and visualization tools, enabling the transformation of raw data into actionable insights.
- Career Essentials in Data Analysis** (July 2024)  
-Acquired essential skills in data analysis, including data visualization and statistical analysis, to support data-driven decision-making processes.

## Extracurricular Activities

- Editor- Interact Club of M.C. Kejriwal Vidyapeeth**  
(June 2020 – June 2021)  
Managed club publications, organized events, and coordinated team initiatives.
- Brand Ambassador- FamPay, Kolkata** (Sep 2020)  
Promoted the brand through social media channels. Engaged with students and potential customers to increase brand awareness.
- Volunteering - Pune Comedy Festival** (Mar 2024)  
Assisted in organizing and managing events, contributed to a successful festival attended by over 1,000 participants.
- Volunteering- ExploreIT** (Dec 2023-March-2024)  
Volunteered in community cleanup drives across Pune, contributing to environmental sustainability and local community welfare.
