Personal Details

Languages Known: English and Hindi
Address: Bengaluru, Karnataka

Profile Summary

Enthusiastic and detail-oriented M.C.A. student with hands-on experience in full-stack development and a passion for learning new technologies. Known for adaptability, problem-solving, and strong leadership qualities. Committed to leveraging technical expertise to create meaningful solutions while actively contributing to both professional projects and community initiatives.

Academic Projects

Symbi Shark Tank (Feb 2024- March 2024)
Tools: Django, Celery, Email Services

Designed and developed a web application simulating a Shark Tank experience for college students to pitch business ideas and progress through multiple evaluation rounds. Implemented secure user authentication, reducing security vulnerabilities by 20%, comprehensive database management, and handled multi-round competitions with specific criteria. Leveraged Celery for efficient email notifications to keep participants informed.

StreamDash App (Sep 2024- Oct 2024)
Tools: Android Studio, Firebase

Developed an Android application focused on comprehensive UI/UX design and implementation, integrating Firebase for real-time data synchronization. Created features to display live sensor data transmitted by NodeMCU-based sensors, allowing users to access readings seamlessly from any location.

Certifications

- Weka One-Week Training Certificate (March 2024)
  -Completed an intensive week-long training on Weka, exploring data mining and predictive modeling. Gained hands-on experience with Weka's algorithms and visualization tools, enabling the transformation of raw data into actionable insights.
- Career Essentials in Data Analysis *(July 2024)*
  -Acquired essential skills in data analysis, including data visualization and statistical analysis, to support data-driven decision-making processes.
- Tata Data Visualisation: Empowering Business with Effective Insights Job Simulation on Forage (January 2025)
  -Completed a simulation involving creating data visualizations for Tata Consultancy Service
